Patient Financial Policy

At Imagine Smiles our ultimate goal is to care for your dental needs. We consider dental care to be the #1 investment an individual can make towards their overall health and it is our desire to provide you with exceptional care at an affordable price. But like any other business we have bills that are associated with the care we provide you. As a result, we expect all individuals to pay for services or products on the day which they were received. We do realize that every individual has different financial abilities. If full payment cannot be made on the day of service we offer several different payment options that will allow you to obtain the dental care you deserve.

For Patients who do not use Dental Insurance or Patient Financing:

Payment will be requested at the time of service. We apply a **5% discount** to patients under the age of 65. We apply a **10% discount** to patients aged 65 and older.

Patients who are under 65 and **desire to prepay** (at least 24 hours prior to their scheduled appointment) will receive a **7% discount** on their treatment. Patients aged 65 and older who desire to prepay for their services will receive a **12% discount** on their treatment.

Dental Insurance - As a courtesy to our patients with dental insurance, we gladly submit dental claims to your insurance company for payment and we will make every effort to help you get the maximum benefit available. There are over 50,000 unique dental plans in existence nationwide today and they constantly change. Dental insurance only covers a percentage of most services thus predicting the exact cost to you is difficult. We do our best to interpret the specifics of the insurance companies we work with and we cannot know the details of EVERY dental plan at all times. We do expect patients to pay any non-covered portion of services rendered on the respective date of service. Any overpayments by you will be applied as a credit to your account for future services or products. We recommend that you review the specifics of your plan to avoid any unnecessary or unplanned expenses.

- ◆ It is agreed that my insurance is to be billed for all services provided by Imagine Smiles as long as my insurance is in effect and the insurance limits have not been exceeded.
- ◆ I consent to the release of my dental records by Imagine Smiles to my insurance company if necessary for my bills to be paid.
- ◆ I understand that the information my insurance company provides to me or Imagine Smiles is not a guarantee of the benefits provided or paid by my insurance company.
- ◆ I understand that I am responsible to know my insurance benefits. Therefore, I accept full responsibility for all charges for services provided by Imagine Smiles.
- ◆ I understand that I am responsible to pay for all balances that dental insurance does not cover.
- ◆ I agree to pay the entire estimated patient balance at the time my dental services are rendered.
- ◆ I understand that when Imagine Smiles has been unable to collect payment for services that Imagine Smiles has the right to, and will turn my account over to a collection agency.

Grace Period - On the rare occasion that patients forget to bring a form of payment to their appointment, we do allow a 30 day grace period after the day of treatment to satisfy this debt. If the balance is not paid in full by the end of this 30 day period, any outstanding balance will accrue at a rate of 1.75% per month (21% annually). Failure to settle a balance for more than 90 days may result in the patient account being turned over to a collections agency.

Patient Financing - With larger treatment plans patients have the option to amortize the cost of their treatments using an outside financing entity. To help these patients we offer financing through Springstone Finance & CareCredit. Both are reputable companies with positive track records in the dental industry.

Quotes For Treatment - We often quote prices for our services. These will be honored as long as treatment is initiated within 60 days of a quote.

Over Please 

Commitment to Appointments

We will reserve time for you. We will give you our utmost attention and care and will rarely keep you waiting. An appointment scheduled in our office is a bond of trust that our team will be here to serve you and that you will be on time and prepared for your appointment. In the event an appointment is missed or cancelled with less than 24 hour notice or no notice, a \$75 charge will be added to your account. We maintain an efficient schedule because we understand that our patients' time is important.

I understand the financial policies that have been described in this form. I acknowledge that insurance coverage for myself, or any dependents, is between myself and my insurance provider. I agree that any charges not covered by insurance will be my sole responsibility.
